**THE MOST HOLY TRINITY - YR C**

**11TH & 12TH JUNE 2022**

## REFLECTION *by* Fr Michael Tate

### Painting the Picture of God

The Feast of the Trinity of God comes about because Jesus painted a picture of the most intimate communion of Divine Life between Himself, the Father, and the Holy Spirit. This is a relationship and yet the most perfect unity.

God is Divine pulsating, shimmering light dancing in threefold exchange of love. In fact, the best name for God is 'Being-in-Love'. What does this mean for us?

How often have you heard: 'You are made in the image and likeness of God'? If God is threefold Being-in-Love, then you and I are made to live in relationship – not in solitary. We are totally on the wrong track if we think that the ultimate good is to be self-sufficient. It will turn out to be a Hellish choice. When we live as much self-giving as is possible, we are closest to Divine Life. In fact, we are Divine Life pulsating into a particular time and place through us.

Each time we bless ourselves, a bit of a Catholic routine, we are invoking the threefold exchange of love and calling its power into our life. Be careful, there will be consequence! You could become more God-like!

We could pause for a moment, slowly make the Sign of the Cross which recalls our baptism: 'In the Name of the Father and of the Son and of the Holy Spirit', and promise to image that Name in our lives.
